Comments

Emanuele Savini is a great seminar tutor. Whatever he's being paid; it's not enough.

Emanuele has been extremely helpful and always goes the extra mile to explain concepts that are hard to grasp. I have thoroughly enjoyed my lessons under his tutelage.

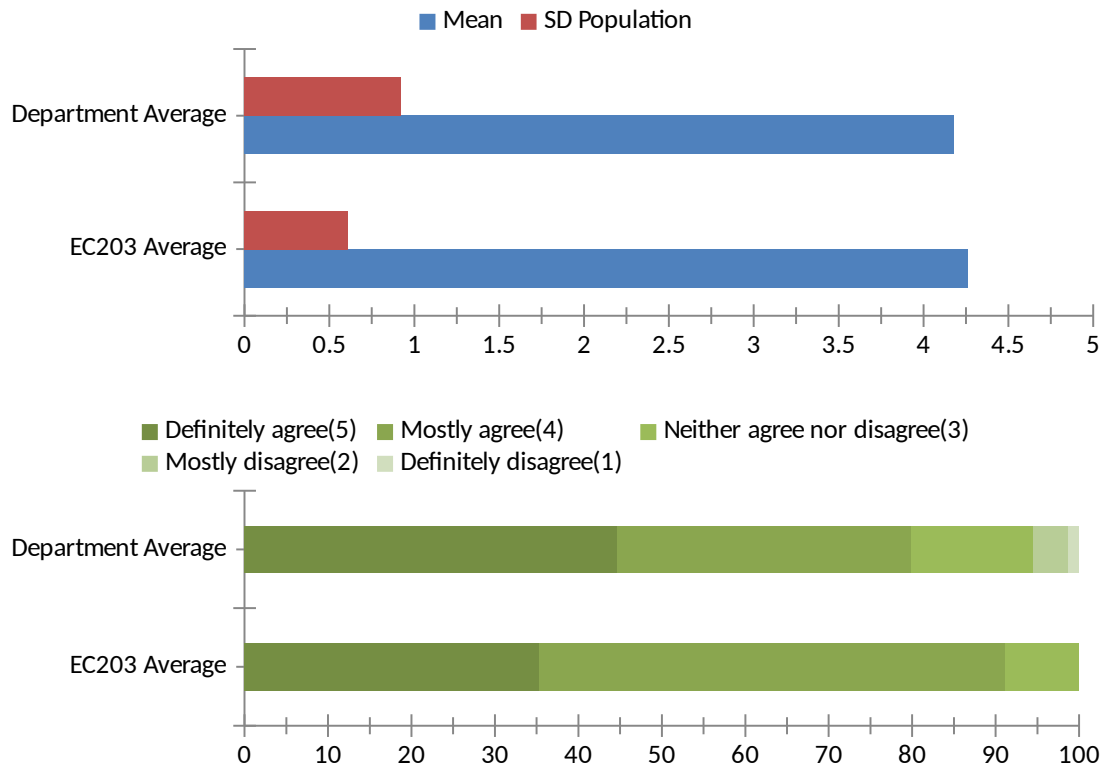

Apart from the embarrassing fact that I don't know how to pronounce his name correctly, he's perfect. He answers every question raised by students and explains concepts in detail.

Very helpful tutor. I had him in first term and I specifically chose his seminar group in term 2 because of the way he taught this module. He's been absolutely fantastic and supportive through both the terms.
